This nine-week whole-church curriculum will help members see both the priority of evangelism for our churches, and to see the role that everyone can play in reaching out to those who are lost without Christ. Many Christians are nervous about telling someone else about Jesus. We prefer to leave it up to the preacher, or to those we see as particularly gifted for evangelism in our congregations. But all believers are called to make disciples. The nine sessions in this curriculum don t offer quick fixes or evangelism gimmicks. But by continually pointing us back to the gospel, they will give us the proper motivation to work together as a church to share the gospel message with those who are lost without Christ. This comprehensive handbook contains discussion questions for the main teaching sessions, daily devotionals, Bible study materials, and space for you to record your thoughts, prayers and ideas as you work through the material with your church.
