Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Handbook of English Literature This Manual was first issued in 1874 as one of a series intended primarily to assist candidates in preparing for the Civil Service examinations. But in these examinations English literature has never proved a particularly attractive subject; and in the second edition of 1880 an attempt was made to extend the utility of the book as a work of reference. In this character it achieved a certain success, and went out of print. In 1895 the publishers decided to re-issue it with such revision and supplement as might serve to bring it down to the present date. This task, rendered more formidable by two-and-twenty years of dictionaries, biographies, histories, and special monographs, the original compiler had neither the leisure nor the inclination to undertake and with his entire concurrence, it was entrusted to the capable and experienced hands of Mr. W. Hall at Queen's College, London. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
