CRUMBLE TALES 2: THE BOOK OF BLOB (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The second book of stories for bedtimes or just for a fun read! Sally and Crumble are back together but this time The Blob is causing much more trouble. More problems with friends, less time for Dad - Sally is still trying to sort things out and hopefully - come out with a biscuit or two as well. The moral aspect is important to me and so the stories are sweet and the characters all seem to learn and grow. My children are still considering legal action but I will be long gone before they can afford representation. Besides - loads of families can recognise the things that these people do. It doesn't necessarily mean I just wrote about the silly things my children have done over the years. One thing though - Poor Dad in this book! He really suffers again. He is so handsome and brave yet none of the others notice. Just want to put that out there. I really hope you like these stories. They were fun to be part of!
