Filesize: 5.18 MB

Reviews

This is actually the finest pdf i have study until now. Sure, it is perform, continue to an interesting and amazing literature. I am happy to explain how this is actually the finest ebook i have read in my very own life and could be he greatest ebook for ever.
(Tatum Stokes I)

RATIONAL CHOICE IN AN UNCERTAIN WORLD

Sage Publications Ltd. Jan 2010, 2010. Taschenbuch. Condition: Neu. Neuware - In the Second Edition of Rational Choice in an Uncertain World the authors compare the basic principles of rationality with actual behaviour in making decisions. They describe theories and research findings from the field of judgment and decision making in a non-technical manner, using anecdotes as a teaching device. Intended as an introductory textbook for advanced undergraduate and graduate students, the material not only is of scholarly interest but is practical as well. The Second Edition includes: - more coverage on the role of emotions, happiness, and general well-being in decisions - a summary of the new research on the neuroscience of decision processes - more discussion of the adaptive value of (non-rational heuristics) - expansion of the graphics for decision trees, probability trees, and Venn diagrams. 392 pp. Englisch.
