Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many people are searching for a belief system that works for them. I see religions that are outdated and contain superstitions. We thought the earth was flat over 550 years ago so many assumptions that were made thousands of years ago are worth debating. I have always taken The Truth to be exactly that. I find Monotheism to be lacking. Yes, I believe in a Creator and a Curator but, of this realm not apart from the universe. I prefer Panentheism, One God exists and is present to/with each entity in the universe. I believe in a new name for God in order to specify a Panentiest Creator, I use the name Me-She-kin-Noquah. This is in honor of Chief Little Turtle who was head of the Miami Indians from the greater Fort Wayne, IN area. I use science to use deductive logic. For example it is said and believed that God created the earth. We now know our Sun created the earth. Therefore our sun is God (for our solar system). I also believe that the surface of our sun, the chromosphere is, The big white light that people who have the near death experience see. This event is their soul going to Heaven. The Chromosphere is the origin for coronal hole mass ejections which originate from sun spots. Some of these high speed streams are earth directed and interphase with the earth s magnetosphere. The magnetosphere guides the migratory birds and fish - this is scientific fact. It is thru this process that Me-She-kin-Noquah, our sun connects with the earth and directs activities on earth including we human beings. It is from this point of...
