Jake Colt may seem like the average college student, but he is so much more. Behind his good looks and intelligence lies years of pain and skeletons in his closet-real ones. Jake is a serial killer, one who has never been caught. He knows just what he is doing, and he enjoys every moment of it. When it is time to choose his next victims, he needs three. When one of the three turns out to be a beautiful, sweet woman who is just as twisted as he is, maybe Jake will have to rethink his decision to kill her.
