Profitable Stock Investing for Beginners and Couch Potatoes

By Tony Pow

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is targeted to beginner investors and/or couch potatoes who do not want to spend a lot of time in managing their investments. This book helps someone looking for simple but profitable strategies in investing. It only takes about half an hour a month to monitor the market and decide what stocks to buy and sell. This book uses the advanced strategies described in my other books but in very simplified instructions. The trick is to make them easy to use from the research information available to us free of charge. This book has 9 sections. In general, the first chapter in each section tells you what to do (the Do chapter) in very simple terms. The other chapters in each section explain the detail and you can skip them for now. I start with market timing. You should not buy any stocks when the market is plunging. Actually you should sell most of the stocks you own when the market is plunging. I have a simple way to spot market plunges. It is...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
