Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 edition. Excerpt: . INTRODUCTION. I asked my mother once who her grandfather was and she did not know. I asked my father the same question and he could not tell me. This first started me in my genealogical research some twenty-five years ago, and the following pages are the result. I know they are far from complete, but such as they are I cheerfully add them to the vast fund of human knowledge collected by those who have gone before me in the hope that they may be a steppingstone to some one coming after who may want to know who their grandfather was. No one who has not entered on the same task can realize the amount of labor involved, and yet it has not been without its compensation. I have seen places I never would have thought of visiting; I have met people that I never would have met, forty-second cousins some of them, and now know not only who my grandfather was but who my great-great-grandfather was; and am happy to say while none of them make any claim to royal descent I have not found any murderers or horse stealers--mostly just plain, honest, industrious people, farmers, doctors and ministers, with here and there a lawyer. Some of the early Todds migrated west and some south as far as North Carolina. Of those who went west was Levin Todd, a brother of Michael (3), and it has been strictly maintained by members of...
