By Chris Kjorness

Cogi Garden Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Awesome Piano for Kids is the new easy, fun, way for your child to learn piano! Kids have no problem saying, Yes! to learning an instrument. But, often, the hard work of developing initial skills makes them want to quit before they have even really begun. Getting your child over that initial beginner s hump of musicianship doesn t have to be a daily battle of wills punctuated with disappointing weekly lessons. Written by Chris Kjorness, a professional musician, music teacher, and father of two (rowdy) boys, Awesome Piano guides parents and kids through beginning piano with a method that keeps kids interested and parents sane. The book has silly games for kids and helpful notes for parents so that real progress can be made with only four 15-minute practice sessions a week! Readers also have access to online resources like printable worksheets, video lessons, audio play-a-longs and parent s forum at Chris Kjorness is a jazz musician with a Masters in Music from the prestigious New England Conservatory in Boston, Massachusetts and over 15 years experience teaching music to students...
