He drew forward the blotting-pad preparatory to resuming his letter; and then she did not offer to remove her obnoxious specimen from the desk. He was beginning to feel irritated. If you choose to wait, madam, take a seat, he said. I say take He turned, questioning her continued silence, and sprang to his feet in dismay. The book-agent s head was lolling on her bosom, and his arm--extended to support her--was only out in time to catch her as she fell. CHAPTER VI. Now, said Kincaid, when she opened her eyes at length, what s the matter with you? No nonsense; I m a doctor; you mustn t tell lies to me! What s the matter with you? There are some things a woman cannot say; this was one of them. You are very exhausted? Oh, she said weakly, I--just a little. When...
