Crochet: Amazing and Awesome Crochet Patterns for Beginners with Pictures Like the many hobbies and pastimes of people, the world of needlework became popular to millions of people from all over the world. Crochet is one of the most versatile handiworks that has been developed and modified over time. At the moment, I have one piece of trivia that I am dying to share. It was said that in the early existence of crochet, pieces were actually done by the fingers instead of the different types and sizes of hooks we came to know! It was believed that who belong in the middle and upper classes of society have crocheted strands and strands of threads to create fabrics that were similar to lace.
