THE SIMPLEST OF TRUTHS: OUR EARTHLY, HUMAN AND SPIRITUAL ECOLOGY (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Simplest of Truths is a blend of essays and stories that focus on spirituality and relationships. It does not fit neatly into any mainstream ideology, but instead centers on principles of fair-mindedness and respect as a foundation to traditional morality. While the framework of the book is on the religious side, its tone is not evangelical in its purpose. Condensed down to the very basics, the book explores the greater awareness of self and enlightenment by embracing three truths: peace, equality, and the sanctity of life. This process starts with identifying the peace hidden at the core of one's being. The second two, equality and the sanctity of life, are presented as mandates on how people should strive to treat each other. According to the text, these truths should become the foundation of how people live. It also leans heavily on embracing the values of respect, honesty, integrity, and wisdom. These principles are the living soil that rests upon the bedrock of the simplest of truths. This book is structured as a journey through life. Each section includes an introduction, a collection of essays or parables, and finally, one part of a narrative about Arthur that connects the threads of the other components. The poems that open each chapter of the Arthur storyline are expressions of fear, hate, anger, peace, love and life. Many elements in this book also have an essence that links it back to the natural world. Coping with our emotions. It touches on one's actions and their effects. This is a reflection of early childhood as these are the first defining points in a young person's life. Adapting to the world around us. This...
