

The Surgeon General's Call to Action to Prevent Deep Vein Thrombosis and Pulmonary Embolism (Paperback)

By U S Department of Health Human Services

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Over the last several decades we have seen dramatic drops in the mortality rates from cardiovascular disease, the leading cause of death in this country. Yet challenges remain, and certain areas of medicine have not seen improvements. One of the biggest challenges relates to blood clots in the legs (a disease known as deep vein thrombosis or DVT), which can not only cause pain, swelling, and other discomfort, but also frequently travel to the lungs, causing a potentially fatal pulmonary embolism (PE). The best estimates indicate that 350,000 to 600,000 Americans each year suffer from DVT and PE, and that at least 100,000 deaths may be directly or indirectly related to these diseases. This is far too many, since many of these deaths can be avoided. Because the disease disproportionately affects older Americans, we can expect more suffering and more deaths in the future as our population ages—unless we do something about it. The Institute of Medicine has classified the failure to provide appropriate screening and preventive treatment to hospitalized, at-risk patients as a medical error, and the Agency for...
