There was a live body on her morgue table. Macy Kleyn hadn't expected to find a perfectly healthy Rowe Cusack lying inside a body bag. The man claimed to be a DEA agent who'd escaped from prison by faking his own death. But despite using a disguise, someone knew the truth. Now they wanted to keep Rowe locked up inside. For good. Taking a civilian on the run went against Rowe's lawman code, but leaving Macy behind could mean putting her in even greater danger. On their own, they were targets, but together they might still have a fighting chance. It's a chance he's willing to take in order to protect the one person he could trust -- and the one woman he was falling for.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
