LOVED BY ALL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Vikiana (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Xavier is an upcoming journalist trying to make a name for himself with the truth in his writing. That is not always an easy task when the media wants to over-exaggerate every story. Then he gets a break. A murderer with a life sentence reaches out to him to do his story. He won't talk to anyone else but Xavier. He is glad for the chance, but it also holds a personal interest for him to know what really happened. Tavares is going to spend the rest of his natural life behind bars. To him, it's worth it. If he would change what he did, that would be a no. Just like he can't change the turn of events that led up to that night on Christmas Eve that prompted him to take those lives. If he has to suffer, so would others. In the middle of it all is Serenity. With holes in her past, she seeks the answers to rebuilding her memory. She knows that it's important to her future, but does she know how dangerous it could be? Will this create problems between her and her new love?.
