

A Beginner's Guide to Ship Watching on the Great Lakes (Paperback)

By Brett Ortler

Advance Publishing In.,US, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Ship watching on the Great Lakes is fascinating! It's hard to fathom how big a 1000-foot-long ship is until you see one navigating on the Great Lakes or passing under a lift bridge. Immediate questions come to mind: Where is it from? What is it carrying? How fast does it go? With this beginner's guide, you'll discover helpful tips on where to go to view ships and what to look for, as well as a longtime mariner's take on life aboard ship. Plus, read information about the U.S. Coast Guard, tall ships, which ships have succumbed to storms and more!.

Reviews

Extensive guideline! Its this sort of excellent read. it had been writtern quite properly and helpful. You can expect to like just how the writer create this book.

-- Mr. Gustave Gerhold

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.
