

Discourse on Applied Sociology: Practising Perspectives Volume 2: Practising Perspectives (Hardback)

By -

Anthem Press, United Kingdom, 2007. Hardback. Book Condition: New. 238 x 162 mm. Language: English . Brand New Book ***** Print on Demand *****.This engaging two-volume study pursues a balance between theoretical and practical sociology. The authors are aware of the impasse often deliberately created by the self-conscious language of sociological theory. The primary concern of the applied sociologist is to adapt theoretical knowledge to actual human situations, using it to formulate social policy, investigate domestic and international social problems and create a pragmatic sociology of possibility . Volume II, subtitled Practising Perspectives , provides workable guidelines for social scientists, policymakers, planners, administrators and social activists. The reader is also introduced to the sophisticated research methods employed in the social sciences. Emphasizing cross-cultural experiences and a global perspective, the essays study social problems using inductive and deductive approaches, measurable concepts and quantitative analysis. Modern crises precipitated by war, terrorism, anarchy and poverty are examined in practical and realistic terms.
