

Differential Diagnosis and Treatment of Disease: A Text-Book for Practitioners and Advanced Students (Classic Reprint) (Paperback)

By Augustus Caille

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Differential Diagnosis and Treatment of Disease: A Text-Book for Practitioners and Advanced Students To bring the broad domain of practical medicine fairly within the grasp of the family physician, and to assist the advanced student in acquiring a clinical foundation has been my aim. The general practitioner, representing the unity and connection of the various branches of medical practice, must grasp the practical details of his art in order to be useful at the bedside; and a book to be of value to the family physician should convey clinical experience Without the exhaustive and often purely theoretical details to be found and sought for in monographs. Such a work I have endeavored to write. It has been my desire to reestablish the relations of internal medicine, surgery, and the several specialties; for this reason I have presented special istic methods from the view - point of the general clinician. Disease is neither medical nor surgical nor does it hover on the border lines, but the treatment of disease has become more surgical and the arbitrary division into medical and surgical...
