Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Pete Fernandez is a mess. He s on the brink of being fired from his middle-management newspaper job. His fiancée has up and left him. Now, after the sudden death of his father, he s back in his hometown of Miami, slowly drinking himself into oblivion. But when a coworker he barely knows asks Pete to locate a missing daughter, Pete finds himself dragged into a tale of murder, drugs, double-crosses, and memories bursting from the black heart of the Miami underworld--and, shockingly, his father s past. Making it up as he goes and stumbling as often as he succeeds, Pete s surreptitious quest becomes the wake-up call he s never wanted but has always needed--but one with deadly consequences. Welcome to Silent City, a story of redemption, broken friendships, lost loves, and one man s efforts to make peace with a long-buried past to save the lives of the few friends he has left. Silent City is a gritty, heartfelt debut novel that harkens back to classic PI tales but infused with the Miami that only Alex Segura knows.
