

Can We Be Sure of Mortality?: A Lawyer s Brief (Paperback)

By Wm A Cheney

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. If it be true that you are not all included between your hat and your boots, then possibly the residue or individual is not mortal after all. One surmises many things about this selfsame individual irrespective of biology, anatomy, or physics in general, and while a surmise is not a datum, it often evolves an experience which results in the acquisition of a fact. Good guessing is second cousin to an hypothesis, especially if based on a fair amount of actuality. Are we sure then that we are mortal? Furthermore, are the professors of exact science quite certain that the individual is annihilated when the body dies as such and goes back to the elements whence it came? The amount that we know is absurdly small compared with that yet unexplained, and the Riddle of the Universe is not so easy of solving as some of our professors may suppose. To be sure, a key is a good thing, and we have one already that unlocks many doors; but on ahead are more and still more closed...
