Between packed schedules and the daunting weigh of the average Bible, students need a simple, organized way to deepen their relationship with God on a daily basis. Enter 10-Minute Moments. Each edition works like a daily journal with 31 relevant devotionals that only take about 10 minutes to complete. Students will read a Bible passage, get some questions to chew on, some suggestions to help them pray, and then space to reflect. It s easy to read and easy to stick with. This edition is focused on God s story--who He is, what He has done for us, and how we can live a life that brings Him glory. It s got great lessons for new Christians as well as students who have grown up in the church. Use them as part of a small group or retreat emphasis on daily devotions, graduation gifts, birthday gifts, or just have them available to students.
