Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Gareth Stevens Publishing, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. In North America, grasslands are called the prairie. In South America, theyre called the pampas. Whatever theyre called, grasslands are a vibrant biome! Readers are introduced to grasslands through their unique features, climate, and the plants and animals that live there. With information on both tropical and temperate grasslands, the main content includes themes of conservation and ecosystem balance. Full-color photographs supplement the science content with examples of grasslands from around the world. Accessible language makes this book a perfect supplement to classroom learning about biomes.
