The Armoured Campaign in Normandy: June - August 1944 (Paperback)

By Stephen Napier

The History Press Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. BEGINNING with the D-Day landings, this is a brutally frank appraisal of the planned use and actual results of the deployment of armour by both German and Allied commanders in the major tank battles of the Normandy campaign, including operations Epsom, Goodwood, Cobra and Totalize. The Armoured Campaign in Normandy is a critique of Montgomery's plans to seize territory and break out, and describes how they failed in the face of German resistance. It details the poor planning and mistakes of British senior commanders and how the German Army's convoluted chain of command contributed to their own defeat; these were decisions taken which cost the lives of the tank crews of both sides ordered to carry them out. Official reports, war diaries, after action reports, letters, regimental histories, memoirs of generals and recollections of tank men are used to tell the inside story of the campaign from an armour point of view, to give a different but detailed perspective of the Normandy campaign from the men who fought in it.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
