Words of Life celebrates love and friendship in verse and shares in the life of someone who has been through life experiences shared by so many. In a world where there is such uncertainty and chaos, the emotions expressed in these poems appear in tranquil and peaceful words of the heart. The collection has been divided into three distinct sections: Love and the Heart, Strength and Courage, and Dedication. From the joy of finding love to the agony of discovering that your beloved does not love you, the emotions that this collection explores will not soon be forgotten. There is Love Through the storm of diminishing life There is love Through the pain that cuts like a knife There is love Though there are risks you are taking It is the time you are making To create a love that will last A remedy to the past There is love Do not look back, erase your fear Hold the one you love close and near Do not second guess your feelings Hold on to your continuous reelings There is love Keep each other in your hearts safe and warm Always let your love whether every storm Repel the worrywarts and non-believers Together, you will be the achievers There is love .
