Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Kristin Kauffman s first book is dedicated to connection within the community of motherhood: essays, personal stories, and "Oh, thank goodness! ME, TOO!" moments that help lift us and shift our mindset into experiencing the motherhood journey together when it can often feel so alone. Kauffman dives right into her own experiences, including parenting a child through therapy, low self-esteem, and other tough stuff situations moms tend to find themselves in (but that it seems no one will talk about!). In addition, Kauffman touches on marriage, her love of Target, and essays directed at all parents--parents who work, parents who stay at home, parents who wish there was more time to drink a cup of coffee before misplacing it. With a sense of humor and a knack for making you feel connected, you ll wonder how she s been thinking what you re thinking. After all, we are navigating the same bumpy, often-strange, always-emotional road of parenting--together.
