

Love and Trust: A Beach Reads Billionaire Bachelor Contemporary Romance (Paperback)

Filesize: 5.48 MB

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LOVE AND TRUST: A BEACH READS BILLIONAIRE BACHELOR CONTEMPORARY ROMANCE (PAPERBACK)

Oram Productions, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Book THREE in the Summer Sisters series by New York Times and USA Today bestselling author Jean Oram. One lawyer looking to stop a development. One ex-developer shunning his old way of life. Two worlds about to collide. Melanie Summer thought having a law degree would help her find her place in the world. But the antique-collecting, motorcycle driving sister still feels like the odd one out in her family as her love life keeps crashing and burning, and she's yet to make a difference as a lawyer. When a developer threatens everything Melanie cherishes about her beloved Muskoka—from its heritage to her childhood summer camp—she knows she's the woman to stop them. The only problem is that the lynchpin for her case—the reclusive billionaire Tristen Bell—won't talk to her about the development even though he keeps kissing her with knee-weakening passion at every turn. Two years ago, cut-throat developer Tristen Bell hurt the ones he loves most and lost everything but the one thing that never mattered—his billion-dollar nest egg. Now divorced and living in Muskoka, he's shunning everything related to his old world. But when his teenage daughter walks back into his life only to be injured by a developer's negligence he knows he has to do something, and the irresistible Melanie Summer has just the plan. Tristen knows he could shut down his old competitor in a heartbeat, but only if he dons his old way of life and risks getting close enough to Melanie to break her heart. Will Melanie be able to stop the developer on her own? Or will Tristen find a way to trust his gut as well as his old...
