

Dorothea Dix: Advocate for Mental Health Care

By Meg Muckenhoupt

Oxford University Press, USA. Hardcover. Book Condition: New. Hardcover. 128 pages. Dimensions: 9.3in. x 6.4in. x 0.5in. By exposing the sickening conditions people with mental illness endured in jails, almshouses, and basement cells, Dorothea Dix (1802-1887) single-handedly transformed the U. S. system of mental health care in the 19th century. Dix traveled from state to state, describing the hideous suffering people who were both poor and mentally ill endured at the hands of their captors. Her tireless research and personal lobbying of legislators led to construction of asylums for the mentally ill in state after state. Oxford Portraits are informative and insightful biographies of people whose lives shaped their times and continue to influence ours. Based on the most recent scholarship, they draw heavily on primary sources, including writings by and about their subjects. Each book is illustrated with a wealth of photographs, documents, memorabilia, framing the personality and achievements of its subject against the backdrop of history. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
