Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Artistic Guide to Chicago: And the World s Columbian Exposition The wonderful growth of Chicago, from a moorland traversed only by Indian trails in 1831, to a splendid metropolis with a million and a quarter of inhabitants in 1891, furnishes food for a story far beyond the possibilities of this small volume. No more has been attempted here than to acquaint the reader with the principal events in the history of the city; to point out such places and things as would be most likely to awaken a lively interest in the mind of the visitor, and to give the general public at least a faint impression of what the World s Fair is to be. Our information has been gathered from the most reliable sources. We have endeavored to present it in a clear, concise and interesting manner. Our aim is to furnish the public with a guide to the pleasant, the instructive and the amusing, and not to compile an encyclopedia of dry facts.
