I m sure I m not the only one who has asked myself this question. This is a man who has practically lost his country and is now living as the frugal exiled leader of the Tibetans. Why is he smiling? To us there is no logical reason for him to maintain such a sunny deposition - so why does he? It s called happiness! This book explores the Dalai Lama s teachings on how to achieve the happiness he displays so easily. Beneath the deepness of his words are concepts so easy to understand, you ll wonder why you didn t realize them before now. This book will reveal; What true happiness really is Why love and compassion are the entry points to happiness and how you can cultivate these concepts and apply them in your daily lifeThe things you might be doing that are causing you unhappiness and how to wean yourself off these habits gradually for a happier you What real wisdom is and how it affects your perception of your own suffering, other people and their actions and how to train your mind to reinterpret these events in the correct way Why and how to cultivate mindfulness and incorporate meditation practices into your daily life and increase your enjoyment of your life right now as well. Much, much more! This book is for those who are genuinely seeking happiness. Prepare to be happy!.
