**NEBULA SIX 558: (SPECIAL CHRISTMAS EDITION)**

America Star Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have been a writer now for a number of years but only took it real serious, like, in the last five years or so starting with my newest piece Nebula Six of which, I have now published with out of Indiana just this past year, in March 2010 of which, may still only be purchased on line at this time. But then other than Nebula Six itself, I ve also written poetry for a long time too and I was recognized for that as well back in 1986 with honors and considered the poet of the year for two years running and was published in a book called, The Poetry of Anthology almost immediately. But then of course, there was the very first piece, that I ever wrote in my life and it was back in the sixty s, when I was still in grade school in the sixth grade and when we were asked to write something about ourselves or our wishes and if it was good enough, we were told, it could be published in a local magazine there at the time and with my luck, I wrote some small little poem of wishes I called, if only I had a nickel and to my surprise, I was the one chosen. Well, other than what I ve already mentioned at this point, I now also have several new stories written up and waiting for that right moment, that it takes to be published.
