HarperCollins Publishers Inc, United States, 2011. Paperback. Condition: New. Bind up ed. Language: English . Brand New Book. Francesca Lia Block, critically acclaimed author of Weetzie Bat, gathers together three of her most enchanting books into one volume. Retelling age-old fairytales and Classical myths, this collection captures the best Block has to offer: extravagantly imaginative tales, dark landscapes, fierce poetry, and storytelling that is nothing short of magical. *Psyche in a Dress* is told in free verse. A contemporary retelling of several Greek myths rolled together, it is set in California in a world where Aphrodite owns a dress shop and Orpheus is a rock musician. *Echo* is a prose reimagining of the stories of Echo and Narcissus. It stars a Hollywood girl who goes on a quest for love and along the way comes across angels, vampires, and fairies. *The Rose and the Beast* is a collection of nine short stories which put a modern and original spin on fairytales such as Snow White, Thumbelina, Cinderella, Rose Red and Rose White, and others. *Roses and Bones* was praised by VOYA as a vivid and sensual ride. And each book in this evocative collection received multiple starred reviews, including one from Kirkus which proclaimed Block uses language like a jeweled sword, glittering as it cuts to the heart.
