

Smellgoods: How to Use Blend Essential Oils in Handmade Soap Skincare (Paperback)

By Kendra a Cote

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Natural skincare is brought to life through fragrance, and the most pure fragrances available, essential oils, can lend vibrancy and luxury to any product. With the help of author Kenna Cote, it's simple to incorporate essential oils into your own handmade soap and skincare. This guide explores how to use essential oils in handmade bath and body products, starting with understanding how essential oils are made, how to safely store and handle them, and how to determine proper usage rates in your formulas. Begin with a simple collection of recommended essential oils and follow the practical and easy to follow exercises that will lead you to creating your own unique, beautiful, and complex aromas for your handmade creations. This is the book that I never realized I needed until I read it. All information in one place, concise and easy to follow - a must for every soapers bookshelf. - Jo Haslauer, Skin Trip Finally!! This is a resource that has been sorely needed in the soapmaking and handcrafted community. Kenna demystifies not only the safe handling and usage of essential...

Reviews

This pdf may be worth purchasing. This is for anyone who statted there was not a really worth reading. I found out this pdf from my i and dad encouraged this pdf to understand.

-- Mrs. Annamae Raynor

If you need to adding benefit, a must buy book. This really is for all who statted that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
