Wilder Publications, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is nothing to change but our concept of self. Humanity is a single being in spite of its many forms and faces, and there is in it only such seeming separation as we find in our own being when we are dreaming. The pictures and circumstances we see in dreams are creations of our own imagination and have no existence save in ourselves. The same is true of the pictures and circumstances we see in this dream of life. They reveal our concepts of ourselves. As soon as we succeed in transforming self, our world will dissolve and reshape itself in harmony with that which our change affirms. The universe which we study with such care is a dream, and we the dreamers of the dream, eternal dreamers dreaming non-eternal dreams. One day, like Nebuchadnezzar we shall awaken from the dream, from the nightmare in which we fought with demons, to find that we really never left our eternal home; that we were never born and have never died save in our dream. Included in this collection are The Search, The Seven Eyes of God, Awakened Imagination, You Can Forgive Sin, and Seedtime and Harvest Wilder Publications is a green publisher. All of our books are printed to order. This reduces waste and helps us keep prices low while greatly reducing our impact on the environment.
