In addition, any new finding discovered during the preparation of the final, fully quality-assured individual study reports that could affect subject safety must be reported to FDA under 21 CFR 312. 32. Usually, 10 to 15 pages of text with additional tables (as needed) should suffice for the integrated summary. It should represent the sponsors perspective on the completed animal studies at the time the sponsor decided human trials were appropriate. Use of visual data displays (e. g. , box plots, stem and leaf displays, histograms or distributions of lab results over time) will facilitate description of the findings of these trials. The summary document should be accurate contemporaneously with the IND submission (i. e. , it should be updated so that if new information or findings from the completed animal studies have...
