

The Song of Daniel and Selected Poems (Paperback)

Filesize: 2.07 MB

Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SONG OF DANIEL AND SELECTED POEMS (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The first part of this book retells the Old Testament book of Daniel in alliterative verse, the time-honored form for hero tales. The form may be old, but the modern narrative voice delivers drama and fresh insights as the 12 chapters of Daniel unfold. Reviewers agree that this 57-page poem should be read aloud for greatest impact. Part 2 of the volume contains shorter metrical poems that are meditations on the Christian faith. Many are based on New Testament stories; some are inspired by the liturgy of the Church. The Sacraments are an important theme. Part 2 concludes with a final alliterative poem, As with One Mouth, a new rendering of the Song of the Three Young Men.
