The Association adjourned on Tuesday, the 2d of August, to meet in Washington, on the bust Wednesday of April, 1854. The following officers were elected for the ensuing year. Prof. Jas. D. Dana, of New Haven, President; Prof. J. Lovering, of Cambridge, General Secretary; Prof. J. Lawrence Smith, Permanent Secretary; Dr. Elwyn, of Philadelphia. Treasurer. Prof. S. F. Baird, Assistant Secretary of the Smithsonian Institution, who for the past three years has so ably managed the affairs of the Association, declined a reelection to the office of Secretary. The following gentlemen were appointed to report on the following topics at the ensuing meeting. Prof. Henry, On our knowledge of the laws of Atmospheric Electricity; Prof. Jas. Hall, On the recent additions to our knowledge...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
