

## Compact Clinical Guide to Cancer Pain Management: An Evidence-Based Approach for Nurses (Paperback)

By Pamela Davies, Yvonne M. D Arcy

Springer Publishing Co Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Although the prevalence of uncontrolled cancer pain remains unnecessarily high, research has indicated that 90 of cancer patients with pain can be successfully treated with standard therapies. This concise yet extremely comprehensive guide to managing cancer pain will enable nurses on the front lines of pain assessment and management to incorporate effective strategies into their daily practice. It offers quick access to current evidence-based guidelines for busy nurses and nurse practitioners working in all oncology care settings. To facilitate quick information retrieval, the text is designed in a consistently organised, bulleted format with highlighted key information and tools for assessment and standardised treatment. It also serves as an important review for the ONS and HPNA Certification exam. This book focuses on all aspects of cancer pain, including assessment and screening tools, pharmacological and non pharmacological treatment options, current national guidelines for pain management, regional anaesthesia techniques, patient-controlled anaesthesia, and epidural pain management. It also includes updated information on the effect of opioid polymorphisms, cancer pain emergencies, myofascial pain, and chronic pain in cancer survivors. The book covers palliative care and end-of-life pain management, especially...
