St Martin s Press, United States, 2013. Multiple copy pack. Condition: New. Language: English . Brand New Book. I m the Dwarf in the Drawer, And I lived here before . . . Before that darn elf-- That insufferable bore! Book and plush gift set! It s the most wonderful time of the year! The time when tiny elves spy on all the little children and then go dancing off to tattle to Santa. . . . What? That doesn t sound wonderful to you? Right. The Dwarf in the Drawer doesn t think so, either. Why does that dim-witted elf show up every December? In the tradition of Goodnight iPad and Runaway Mummy, this is a hilarious parody of Santa s elvish spy--and a story that will make us all take another look at the true meaning of Christmas.
