Archway Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Sam s teacher, Ms. Howell, asks him if he will ever grow up, he begins to wonder: Will he grow up? And if he does, what will he be? He really doesn t know just yet, and that s scary. In this children s book, one little boy considers all the things he could be when he grows up and gets to know who he is, taking a journey to his real self. A beautifully written and illustrated book and a Quality Children s Book Award Winner. I love this book! I use it at home with my kids, who read it and love the pictures. I also use it at work with my students who love it. Zach Bullock, LCSW assistant professor This is one of the best books I have ever found in assisting children and adults to understand their self identity and find and know themselves. Thank you so much ! Natalie Wright, LCSW Child and Family Therapist.
