## DADDY S PLAYBOOK: A GUIDE FOR FATHERS RAISING DAUGHTERS (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I guarantee you that you will look at football differently after reading this guide. It s been discovered that girls make impressions of men between the ages of 11 and 16. My dear friend shared with me secrets of her relationship with her father before she died. She desired to reconcile with him. She wanted him to be so proud of her. Father s really need to hear what their daughters are saying to them. This guide is an account of my life s experiences and is not meant to bash men. Daddy s Playbook was written to help and encourage fathers to have a play in hand and not end up as the Monday morning quarterback. I pray that my experiences will open your eyes to see your daughter as an opportunity to ignite a moral exchange between that which is pure and innocent from the day you held your daughter in your arms. Be encouraged Dad! It s never too late. Your daughter is precious.
