Science Future Press, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.WARNING: This book contains no smut. It s not smexy or hot. It s sweet and filled with a longing so deep, your heart will ache and maybe even break. This book is about bare feet on the beach, the sound of crashing waves, first kisses, losing your faith and then, against all odds, finding it again. This book is about bad things that change people s lives, a father s love for his daughter, a brother s love for his sister, a bad boy who finally figures out why he s so broken, and a girl who grows up. Francesca Sabatini came to America to take in the sights, celebrate her high school graduation, and have fun wasting time before college starts in the fall. That s not what happens. Fresh off the plane and barely on American soil more than a handful of minutes, Francesca s face is recognized by TSA scanners to be a match for a child who was kidnapped twelve years ago. Brody Mason remembers the day Fiona Sullivan went missing during a family vacation in Italy and it s haunted him his whole life. So when Francesca shows up at the Sullivan farm down the road, he s compelled to figure out if this girl really is his long-lost friend. But Francesca knows she s not Fiona Sullivan. She knows exactly who she is. At least she thinks she knows - until Brody Mason relentlessly pursues her and she begins to have feelings for him. Maybe being Fiona isn t so bad? Reality becomes blurred, secrets are revealed, and life will never be the same when the final questions are...
