THE POLITY OF THE ATHENIANS AND THE LACEDAEMONIANS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Polity of The Athenians and The Lacedaemonians by Xenophon - Classic Greek Literature - Translation by H. G. Dakyns - Greek Classics - Brand New Edition - Xenophon; c. 430 - 354 BC, son of Gryllus, of the deme Erchia of Athens, also known as Xenophon of Athens, was a Greek historian, soldier, mercenary, philosopher and a contemporary and admirer of Socrates. He is known for his writings on the history of his own times, the 4th century BC, preserving the sayings of Socrates, and descriptions of life in ancient Greece and the Persian Empire. Xenophon's birth date is uncertain, but most scholars agree that he was born around 430 BC near the city of Athens. Xenophon was born into the ranks of the upper classes, thus granting him access to certain privileges of the aristocracy of ancient Attica. While a young man, Xenophon participated in the expedition led by Cyrus the Younger against his older brother, king Artaxerxes II of Persia, in 401 BC. Xenophon writes that he had asked the veteran Socrates for advice on whether to go with Cyrus, and that Socrates referred him to the divinely inspired Delphic oracle. Xenophon's query to the oracle, however, was not whether or not to accept Cyrus invitation, but to which of the gods he must pray and do sacrifice, so that he might best accomplish his intended journey and return in safety, with good fortune. The oracle answered his question and told him to which gods to pray and sacrifice. When Xenophon returned to Athens and told Socrates of the oracle's advice, Socrates chastised him for asking so disingenuous a question.
