THE PROSECUTORS FALLACY THE RELIABILITY OF FINGERPRINT AND DNA EVIDENCE

Paperback. Book Condition: New. Paperback. 53 pages. An exploration of the perceived infallibility of DNA and Fingerprint Evidence as presented in UK Law. Until relatively recently there have been virtually no challenges to the reliability of these types of evidence. This title explores not only the cases that have challenged these evidential types in the UK but also persuasive authorities from overseas and expert opinions on their scientific validity as they are currently presented in the UK. This item ships...

Reviews

This written publication is wonderful. It really is simplified but unexpected situations inside the fifty percent in the pdf. You will not truly feel monotony at at any moment of the time (that's what catalogues are for about in the event you request me).

-- **Dr. Jamar Willms**

This publication will be worth purchasing. It is writter in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be he best publication for at any time.

-- **Devante Mante**
