Excerpt from Dickson on Pain and Death: An Introductory Lecture, Delivered Before the Medical Class of Jefferson College, Philadelphia, October 13th, 1859 Yet we are not always, it must be clearly stated, to evade the application of painful remedies. Some of these are among our most efficient and useful means of ultimate relief and beneficent influence. They are also very powerful and prompt though indirect anaesthetics. A blister sometimes soothes a patient into a sweet sleep by diverting a local dea termination previously painful; and I have seen both neuralgic and inflammatory agony so suddenly and perfectly removed by acupuncture that the patient fainted at once from - what he himself termed - absolute and positive pleasure.
