Bone Dead and Rising: Vincent van Gogh and the Self Before God

By Charles Davidson

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: Here is a vivid, poetic, and evocative story of the painter Vincent van Gogh s struggle to become his true self. The author listens in on Vincent s most intimate, frequently startling thoughts on a host of topics, drawn from three volumes of his correspondence and his 900 extant paintings. What emerges is the portrait of an artist whose spiritual vision was borne of an agonizingly prolonged experience of the dark night of the soul through which his art dared to envision the triumph of joy over sorrow, of resurrection over suffering and death. Readers will discover that in many ways Vincent s story is as much about us as about him. Tracing van Gogh s pilgrimage from being an apprentice art dealer to being called to minister, in self-renunciation and misery, among destitute coal miners, the narrative follows his winding, tortuous path into adulthood as he struggles with family, associates, lovers--and with himself. Constantly evidenced in Vincent s own eloquent words and paintings is his tussle with the mysterious presence and maddening absence of God....

Reviews

Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.

-- Noel Stanton

Absolutely one of the best pdf We have ever read. I really could comprehended every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.
