## A MOUNTAIN OF GOLD

DOWNLOAD

Campian Bellstone Publishers. Paperback. Condition: New. Steve Daniels (illustrator). 200 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. A stirring and inspiring tale of survival, A Mountain of Gold is as memorable as it is educational. An aged diary is discovered in the mountains of North Georgia, USA. In it is revealed the life of a teenage boy and his experiences growing up in the 1840s in a wild land stolen from the local Indians. Changes in his life lead him into a very close relationship with Nature so close he can no longer relate to civilized human beings. A Mountain of Gold was written for youth ages 12 and older, but has been received with highest praise from adult readers. The book is not only a great adventure, but inspires dialogue and reflection. It delivers lessons in history, ethics, biology, economics, and English vocabulary from an earlier age. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
