MOUNTAINTOP MINING IN APPALACHIA: UNDERSTANDING STAKEHOLDERS AND CHANGE IN ENVIRONMENTAL CONFLICT (PAPERBACK)

Ohio University Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Due to the authors framing the discussion using conflict analysis and resolution, Mountaintop Mining in Appalachia could serve as a case study in how to engage populations with divergent views. This makes the book generalizable to other conflicts outside of the controversy surrounding surface mining. Mountaintop Mining in Appalachia would be a great resource to both academic and public libraries not only within the Appalachian...

Reviews

A new electronic book with a new viewpoint. I could comprehend almost everything using this written e publication. You wont really feel monotony at whenever you want of your own time (that's what catalogues are for concerning in the event you request me).

-- **Zachariah Cole III**

Extensive manual for book lovers. It really is simplistic but excitement from the 50 % of your pdf. You wont feel monotony at anytime of your time (that's what catalogues are for regarding if you check with me).
