Condition: New. Publisher/Verlag: Scholastic UK | The classic bestseller - now with a nasty new look! No more nice-guy nonsense about history. It's time to learn it the horrible way. And you're in the right place - because things don't get much more horrible than Adolf Hitler and his barmy army! While they goose-stepped around the globe, about 80 million people died in history's most lethal conflict. There were: frightful flying bombs. Rotten rationing recipes (enough to kill you if the bombs didn't do the job). Snowy sieges, nasty Nazis and cruel concentration camps. Find out about all those things, and learn to make a rude noise with a gas mask. Go on: you know you want to! | Format: Paperback | Language/Sprache: english | 110 gr | 197x132x8 mm | 144 pp.
