Somebody Tell Me, Why War? is a story selected from a collection of seven children s stories titled SAVE ME Kids. This story is about a kid losing her family and house in the war. She begins to question why is there a war? and during the journey of finding the answer, several other people join her. Through this story, kids are inspired and encouraged to promote peace, rational and nonviolent problem-solving methods, and promote humanity throughout the world. Because of the author s background as a filmmaker and as an artist, this story is visually appealing to a child s imagination. Reading this story is like watching animations or movies, satisfying a child s imagination while provoking the child s sense of curiosity and quest for fairness in the world at the same time.
