TWO BIRDS TO KILL (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lou Malloy was never one to be family oriented. He left Kansas when he was 18 years old and had not seen his parents in almost 20 years. At the insistence of Hilary Kelly, he decides to go to the west coast of Florida near Tampa and make amends. As he gets mentally ready to make the trip in the Take Away, Hilary shows him a story about a large gaming initiative in his Father's area and with a picture of his father as head of security. Digital plates used to make counterfeit money are being used to flood the monetary system through the various gaming operations in the United States and abroad. He wants Lou to put a stop to it. Unable to say no, Lou loads his team up on the Take Away and prepares to battle with his old nemesis, the Outfit, and a man named Santino Salatorio, who operates one of the largest on-line gambling operations in the world. Because Lou was once involved with acquiring these plates for Max Reynolds by selling doctored plates with a computer virus to the Outfit, he figured that was the end of it. But it was only the beginning. Read as Lou and his team take the Take Away from Tampa to the Bahamas as he tries to outrun four criminal warrants as he makes it to a place called Bonefish Cay and an abandoned sub base from WWII built by the German Third Reich.
